Major changes in Corstjens Bucharest operation.....

Corstjens Worldwide Movers Group is pleased to announce the appointment of Erik Christiaensen as the new General Manager of Bucharest office.

Erik, a Belgian national is an experienced hand and has been with us for more than 12 years. Prior to this assignment he was managing the Corstjens Budapest and Kyiv offices.

We have also moved into a new and bigger office warehouse facility from the beginning of March 2009. The new office and warehouse are bigger and of better quality.

They give us the necessary space and privacy to work both as a team and independently, to ensure that our work maintains its high levels of quality, integrity, and creativity. We are excited to be in our new space and feel confident that this will give us the opportunity to better serve our clients and will allow us to expand even more in the coming years.
